

Tharun Yangala

atharu71@jnn.edu.in — +91 7989919550 — [LinkedIn](#) — [GitHub](#)

Andhra Pradesh, India

PROFESSIONAL SUMMARY

Passionate B.Tech student specializing in Artificial Intelligence and Data Science with strong interest in machine learning, automation, and intelligent systems. Interested in applying AI concepts to solve real-world problems and continuously learning emerging technologies.

EDUCATION

JNN Institution, Chennai	2023 – 2027
B.Tech in Artificial Intelligence & Data Science	CGPA: 7.77
Narayana Junior College	2021 – 2023
Intermediate (MPC)	88%
Ratnam School	2011 – 2021
SSC	93%

PROJECTS

Python Programming Applications

Python

- Worked with Python for problem-solving, automation, and application development.
- Applied Python concepts to solve computational problems efficiently.
- Explored Python applications in AI, web development, and data science.

IBM Introduction to Generative AI

Generative AI

- Explored Generative AI capabilities including chatbots and automated content generation.
- Studied AI applications in healthcare, banking, telecom, and supply chain domains.
- Learned concepts related to intelligent document processing and AI-driven automation.

TECHNICAL SKILLS

Programming Languages: Python, Java

Web Technologies: HTML

Technologies: Generative AI, IoT

Tools: GitHub, VS Code

Core Subjects: Artificial Intelligence, Data Science, Machine Learning

CERTIFICATIONS

- NPTEL — Internet of Things
- IBM — Introduction to Generative AI
- Analytics Vidhya — Python Programming

ACHIEVEMENTS & INTERESTS

- Interested in Artificial Intelligence, Machine Learning, and Generative AI technologies.
- Actively learning Python-based problem solving and automation concepts.
- Exploring real-world AI applications across healthcare, banking, and automation systems.
- Passionate about building intelligent systems and learning emerging technologies.

EXTRA-CURRICULAR ACTIVITIES

- Participated in academic and team-based technical activities.
- Explored AI and Generative AI concepts through self-learning and certifications.
- Interested in learning emerging technologies and intelligent systems.
- Developed communication and teamwork skills through collaborative projects.
